IN COOPERATION WITH

19.01. – 24.01.2025
SAALBACH-HINTERGLEMM, AUSTRIA
PROGRAMM & KOOPERATIONSPARTNER

WWW.ZMK-GRAZ.AT

Dear Colleagues,

Welcome to this 9TH international meeting focused on both innovations and state-of-the-art clinical knowledge and techniques in Dental Implantology. Encouraged from the previous years with a lot positive feedback we have again invited a number of highly respected clinicians to share their experience and present their step-by-step recipes for different relevant procedures.

Saalbach Hinterglemm is one of the leading ski destinations in the Alps, and the Alpine Palace Hotel is once again the ideal location for the IPP in 2025. Take advantage of the 20% discount when booking at the Hotel until 30 November!

Several implant companies will support us, thus we will be joined by several world leaders in the field of surgical and prosthetic implant dentistry.

During the morning sessions workshops will provide excellent training for several surgical procedures. The afternoon sessions are a pure gold collection of comprehensive lectures with world renowned teachers.

Hinterglemm will provide a most stimulating atmosphere to combine high class continuing education and a refreshing change from our daily clinical work-load. It would be wonderful if you could take part in the IPP25 again or for the first time. Book by 30 September 2024 for the best price!

We are looking forward to meeting you and exchanging concepts and experiences.

Martin Lorenzoni

Michael Payer

Christof Pertl

SUNDAY, January 19TH **Thommen Day**

12:00 - 12:30 Registration and Welcome Reception

At all other days the reception is opened between 8 a.m. and 10 a.m. as well as between 3.30 p.m. and 6 p.m.
